

Technical drawing showing the layout of a drainage system. The drawing includes two large circular tanks and two smaller circular components (likely valves or access points). Dimensions are provided for the spacing and size of the components.

- Overall width dimension: 155.0
- Horizontal spacing between the centers of the two large tanks: 87.0
- Horizontal spacing between the centers of the two small components: 87.0
- Vertical spacing from the bottom edge to the center of the small components: 15.0
- Label for the large tanks: 2-Ø90.0 (indicating two tanks with a diameter of 90.0)
- Label for the small components: 取付ボルト穴径 (Mounting Bolt Hole Diameter)
- Label for the drainage center: 排水中心 (Drainage Center)

取付ボルト M8×75 (×2)	パッキン (×2)	ワッシャ (×2)	スプリングワッシャ (×2)	取付ナット (×2)
